

CHAPTER 22

MANDATED POLICIES

ARTICLE I – IDENTITY THEFT PREVENTION POLICY

DIVISION I - POLICY

22-1-1 **COMPLIANCE WITH FEDERAL LAW.** The Village is committed to comply with the Federal Fair and Accurate Credit Transactions Act of 2003, as well as provide customers, particularly customers with utility accounts, the maximum identity theft protection possible. Situations that lead to identity theft would hurt and inconvenience the Village's customers, while at the same time damage the Village's reputation and place the Village at risk for losses. The Village developed this Identity Theft Prevention Policy with the oversight and approval of the Village Board after considering the size and complexity of the Village's operations and account systems and the nature and scope of the Village's activities.

(A) **Examples of Identity Theft.**

- (1) An identity thief uses another person's social security number to open a utility account.
- (2) An identity thief uses a victim's information to obtain unauthorized services from the Village.
- (3) An identity thief opens a utility account using a victim's name and good credit.
- (4) An identity thief files for bankruptcy using a victim's name.
- (5) An identity thief gives a victim's name as his/her own when arrested by police.

22-1-2 **RISK ASSESSMENT/IDENTIFYING RELEVANT RED FLAGS.** While the overall risk of identity theft involving the Village appears low, the Village will focus on detection and prevention from identity theft on the following covered accounts: accounts to individual customers; all of the Village's accounts that are individual utility service accounts held by customers of the utility whether residential, commercial or industrial; any account the Village offers or maintains primarily for personal, family or household purposes that involves multiple payments or transactions; and any other account for which there is a reasonably foreseeable risk to customers or to the safety and soundness of the Village from Identity Theft, as well as automatic deposits to the accounts of the Village employees. There will be a periodic review to determine if the covered accounts are still accurate due to any changes such as changes of address or other changes which may occur relating to an account.

Each type of covered account will be examined and reviewed for relevant Red Flags in part by considering:

- (A) The methods provided to open covered accounts;
- (B) The methods provided to access covered accounts; and
- (C) Previous experiences with identity theft.

As part of the process, the Village will consider the relevant Red Flags provided by the regulatory guidance, as well as incidents of identity theft that the village and/or the Village customers have experienced and applicable supervisory guidance.

22-1-3 DETECTED RED FLAGS. The Village is committed to detecting situations in which identity theft might have or may have occurred.

A "Red Flag" is a pattern, practice or specific activity that indicates the possible existence of Identity Theft. In order to identify relevant Red Flags, the Village considered risk factors such as the types of accounts that it offers and maintains, the methods it provides to open its accounts, the methods it provides to access its accounts and its previous experiences with Identity Theft.

Identity Theft will be combated by detecting Red Flags in connection with the opening of covered accounts and existing covered accounts, such as by:

- (A) Obtaining identifying information about, and verifying the identity of, a person opening a covered account.
- (B) Authenticating customers' transactions, including photo ID if necessary, plus possible additional verification methods such as a user ID and password.
- (C) Monitoring transactions with emphasis on a change of address closely followed by a new service request or a material change in a customer's credit use.
- (D) Verifying the validity of change of address requests, in the case of existing covered accounts in order to monitor the diversion of statements as a prelude to possible account manipulation.

22-1-4 PREVENTING AND MITIGATING IDENTITY THEFT. In order to prevent and mitigate Identity Theft, the Village will provide appropriate responses to the following Red Flags:

(A) **Alerts, Notifications or Warnings from a Consumer Reporting Agency.**

- (1) A fraud or active duty alert is included with a credit report.
- (2) A credit reporting agency provides a notice of credit freeze in response to a request for a credit report.
- (3) A credit reporting agency provides a notice of address discrepancy.
- (4) Receiving a report of fraud with a credit report.
- (5) Receiving indication from a credit report of activity that is inconsistent with a customer's usual pattern or activity.

(B) **Suspicious Documents.**

- (1) Documents provided for identification appear to have been altered, forged or unauthentic.
- (2) The photograph or physical description on the identification is not consistent with the appearance of the applicant or person presenting the identification.
- (3) Receiving other documentation with information that is not consistent with existing customer information (such as if a person's signature on a check appears forged).
- (4) Receiving an application for service that appears to have been altered or forged.

(C) **Suspicious Personal Identifying Information.**

- (1) The person opening the covered account or the customer fails to provide all required personal identifying information on an application or in response to notification that the application is incomplete.

- (2) Personal identifying information provided is not consistent with personal identifying information that is on file with the Village.
- (3) A person's identifying information is the same as shown on other applications found to be fraudulent.
- (4) A person's identifying information is consistent with fraudulent activity (such as an invalid phone number or fictitious billing address).
- (5) A person's social security number is the same as another customer's social security number.
- (6) A person's address or phone number is the same as that of another person.
- (7) A person's identifying information is not consistent with other information the customer provides.

(D) **Account.**

Unusual Use of, or Suspicious Activity Related to, the Covered

- (1) A change of address for a covered account followed by the Village receiving a request for the addition of authorized users on the account or adding other parties.
- (2) A covered account that has been inactive and then becomes active.
- (3) Payments stop on an otherwise consistently up-to-date account.
- (4) Mail sent to the customer is returned repeatedly as undeliverable although transactions continue to be conducted in connection with the customer's covered account.
- (5) The Village is notified of unauthorized charges or transactions in connection with a customer's covered account.
- (6) A new account is used in a manner consistent with fraud (such as the customer failing to make the first payment, or making the initial payment and no other payments).
- (7) An account being used in a way that is not consistent with prior use (such as late or no payments when the account has been timely in the past).
- (8) The Village receives notice that a customer is not receiving his/her paper statements.

(E) **Notice From Customers, Victims of Identity Theft, Law Enforcement Authorities, or Other Persons Regarding Possible Identity Theft in Connection with Covered Accounts Held by the Village.**

- (1) The Village is notified by a customer, a victim of identity theft, a law enforcement authority, or any other person that it has opened a fraudulent account for a person engaged in identity theft.
- (2) Should any of the above instances of suspicious activity that could be identity theft occur, the Village will take immediate actions to either prevent or mitigate the situation.
In order to detect any of the Red Flags identified above with the opening of a new account, Village personnel will take the following steps to obtain and verify the identity of the person opening the account:

Steps can include:

- (a) Requiring certain identifying information such as name, date of birth, residential or business address, principal place of business for an entity, social security number, driver's license or other identification.
- (b) Verifying the customer's identity, such as by copying and reviewing a driver's license or other identification card.
- (c) Reviewing documentation showing the existence of a business entity.
- (d) Independently contacting the customer.

In order to detect any of the Red Flags identified above for an existing account, Village personnel will take the following steps to monitor transactions with an account:

Steps can include:

- (a) Verifying the identification of customers if they request information (in person, via telephone, via facsimile, via e-mail).
- (b) Verifying the validity of requests to change billing addresses.
- (c) Verifying changes in banking information given for billing and payment purposes.

Responses to these Red Flags are commensurate with the degree of risk posed based on the Village's risk assessment.

Appropriate responses may include the following:

- (a) Complete verification of identification for fraud, active duty, credit freeze or address discrepancy alert for any of these types of alerts found on a consumer credit report when applying for services;
- (b) Monitoring a covered account for evidence of identity theft or suspicious activity by placing on the Village's watch list;
- (c) Contacting the customer;
- (d) Changing any passwords, security codes, or other security devices that permit access to a covered account;
- (e) Reopening a covered account with a new account number;
- (f) Not opening a new covered account;
- (g) Closing an existing covered account;
- (h) Not attempting to collect on a covered account or not sending a covered account to a debt collector;
- (i) Notifying law enforcement; or
- (j) Determining that no response is warranted under the particular circumstances.

22-1-5 **DUTIES REGARDING CHANGE OF ADDRESS.** If a notice of change of address for an existing account is received and then within **thirty (30) days** a request for a change to the account is made, the Village will assess the validity of the change of address or requested change to the account.

22-1-6 **UPDATING THE PROGRAM.** The Village will periodically review and update this policy (including the Red Flags determined to be relevant) to reflect changes in risks to customers or to the safety and soundness of the Village from identity theft, based on factors such as:

- (A) Experiences with identity theft;
- (B) Changes in methods of identity theft;
- (C) Changes in methods to detect, prevent, and mitigate identity theft;
- (D) Changes in the types of accounts or services that the Village offers or maintains; and
- (E) Changes in our business arrangements, including services provided and service provider arrangements.

After considering these factors, the Program Administrator will determine whether changes to the Program, including the listing of Red Flags, are warranted. If warranted, the Program Administrator will update the Program or present the Village Board with his or her recommended changes, and the Village Board will make a determination of whether to accept, modify or reject those changes to the Program.

22-1-7 **PROGRAM ADMINISTRATION.**

(A) The ultimate oversight of the program lies with the Village Board. The Village Board has assigned specific responsibility for the Program's implementation to the Program Administrator.

- (B) Until amended, the Program Administrator shall be the Village Clerk.
- (C) The Program Administrator will report to the Village Board, at least annually, on compliance by the Village with all identity theft issues.
- (D) The report will address material matters related to the Program and evaluate issues such as:

- (1) The effectiveness of the policies and procedures of the Village in addressing the risk of identity theft in connection with the opening of covered accounts and with respect to existing covered accounts;
- (2) Service provider arrangements;
- (3) Significant incidents involving identity theft and management's response; and
- (4) Recommendations for material changes to the Program.

The Village Board will take any additional steps necessary to support this program.

22-1-8 **SERVICE PROVIDER ARRANGEMENTS.** The Village will oversee any service provider who performs an activity in connection with one or more covered accounts. The Village will take steps to ensure that the activity of the service provider is conducted in accordance with reasonable policies and procedures designed to detect, prevent, and mitigate the risk of Identity Theft and require the service provider to report any Red Flag to the Program Administrator.

22-1-9 TRAINING. The Village staff responsible for implementing the Program will be trained to recognize and detect Red Flags and properly react to unauthorized or fraudulent attempts to obtain customer information. The Village directs the Program Administrator to conduct annual training for all employees regarding identity theft and to supplement that training throughout the year as more schemes are uncovered.

22-1-10 EDUCATION OF CUSTOMERS. Educating consumers about preventing identity theft and identifying potential pretext calls may help reduce their vulnerability to these fraudulent practices. The Village will have brochures available to consumers and an identity theft prevention section on the Village's website that describes preventative measures consumers can take to avoid becoming victims of these types of fraud.

22-1-11 OTHER APPLICABLE LEGAL REQUIREMENTS. As part of the overall Program, the Village will include other legal requirements when needed, such as:

- (A) Filing a Suspicious Activity Report; and
- (B) Implementing any requirements under which accounts may be created, changed or altered when the Village detects a fraud or active duty alert.

22-1-12 ASSISTANCE FOR VICTIMS. In the event one of the Village's customers becomes a victim of identity theft, the following steps will be taken, as appropriate, to assist them:

- (A) Have trained personnel respond to customer calls regarding identity theft or pretext calling.
- (B) Determine if it is necessary to close an account immediately after a customer reports unauthorized use of that account and create a new customer account when appropriate. Where a customer has multiple accounts, an assessment will be made as to whether any other account has been the subject of potential fraud.
- (C) Help educate the customer about appropriate steps to take if they have been victimized.

(Ord. No. 2012-19; 11-05-12)

ARTICLE III – PROCUREMENT POLICY

22-3-1 METHODS OF PROCUREMENT. Procurement under grants shall be made by one of the following methods, as described herein:

(A) **Small Purchase Procedures.** Small purchase procedures are relatively simple and informal procurement methods that are sound and appropriate for the procurement of services, supplies, or other property, costing in aggregate not more than **One Hundred Thousand Dollars (\$100,000.00)**. If small purchase procedures are used for a procurement under a grant, price or rate quotations shall be obtained from an adequate number of qualified sources.

(B) **Sealed Bids (Formal Advertising).** In sealed bids (formal advertising), sealed bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all of the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bids method is the preferred method for procuring construction.

- (1) In order for formal advertising to be feasible, appropriate conditions must be present, including, at a minimum, the following:
 - (a) A complete, adequate and realistic specification or purchase description is available.
 - (b) Two or more responsible bidders are willing and able to compete effectively for the Village's business; and
 - (c) The procurement lends itself to a firm-fixed-price contract, and the selection of the successful bidder can be made principally on the basis of price.
- (2) When sealed bids are used for a procurement under a grant, the following requirements apply:
 - (a) A sufficient time prior to the date set for opening of bids, bids shall be solicited (publicly advertised) from an adequate number of known suppliers.
 - (b) The invitation for bids, including specifications and pertinent attachments, shall clearly define the items or services needed in order for the bidders to properly respond to the invitation for bids.
 - (c) All bids shall be opened publicly at the time and place stated in the invitation for bids.
 - (d) A firm-fixed-price contract award shall be made by written notice to that responsible bidder whose bid, conforming to the invitation for bids, is lowest. Where specified in the bidding documents, factors such as discounts, transportation costs, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts may only be used to determine low bid when prior experience of the Village indicates that such discounts are generally taken.
 - (e) Any or all bids may be rejected if there are sound documented business reasons in the best interest of the program.

(C) **Competitive Proposals.** Procurement by competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursable type contract is awarded, as appropriate. Competitive proposals is generally used when conditions are not appropriate for the use of sealed bids. If the competitive proposals method is used for a procurement under a grant, the following requirements apply:

- (1) Requests for Proposals shall be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical.
- (2) Requests for Proposals shall be solicited from an adequate number of qualified sources.
- (3) The Village shall have a method for conducting evaluations of the proposals received and for selecting awardees.
- (4) Awards will be made to the responsible offeror whose proposal will be most advantageous to the procuring party, with price (other than architectural/engineering) and other factors considered. Unsuccessful offerors will be promptly notified in writing.
- (5) The Village may use competitive proposal procedures for qualification-based procurement of architectural/engineering (A/E) professional services whereby competitor's qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in the procurement of A/E professional services. It cannot be used to procure other types of services (e.g., administration professional services) even though A/E firms are a potential source to perform the proposed effort.

(D) **Noncompetitive Proposals.** Noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation from a number of sources, competition is determined inadequate. Noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids (formal advertising), or competitive proposals. Circumstances under which a contract may be awarded by noncompetitive proposals are limited to the following:

- (1) The item is available from only a single source;

The notification shall state the reason(s) for the **five (5) business day's** extension and contain a date certain on which the requested record(s) will be available. The failure to grant or deny a request within the additional **five (5) business days** shall operate as a denial. The person making the request and the Village may agree in writing to extend the time for compliance for a period to be determined by the parties. Prior to denying a request based upon the burdensome nature of the request, an opportunity to narrow the request to manageable proportions shall be provided. If the attempt to narrow the request fails, the request may be denied because compliance will unduly burden the operations of the Village and the burden outweighs the public interest in the information. The denial shall be in writing, specifying the reasons why compliance will be unduly burdensome and the extent to which compliance will so burden the operations of the Village. Repeated requests from the same person for the same records that are unchanged or identical to records previously provided are properly denied under the Freedom of Information Act shall be deemed unduly burdensome under this Section.

(C) Failure to immediately disclose to his or her Department Head or immediate supervisor any drug or other medication-related work restrictions, or failure to disclose the taking of any drug or medication whose container has warnings that such drug or medication may affect any such employee’s ability to perform his or her job, or to drive or operate machinery.

(D) Testing positive for any drug or for the abuse of alcohol or being under the influence of any drug and/or alcohol during working hours.

(E) Failure to comply with this policy.

(F) Refusal to submit to any drug or alcohol test under this policy, which shall also include, but not be limited to, any attempt to tamper with or substitute any sample to be used in connection with any such test.

22-9-4 APPLICABILITY. This Drug/Alcohol Testing Policy and Procedure is not intended to replace the Drug Free Workplace Programs but to define and clarify, who will be tested, when the employees will be tested and where employees will be tested. The following four employee categories define under which category each full time, part time/temporary and volunteer employee will be tested:

(A) Any employee who drives a Village vehicle, tractor, tractor mower or similar motor powered equipment that moves under its own power will be tested under the Federal DOT testing standards.

(B) Testing for employees of the Police Department shall be controlled by the provisions set forth in their union contract.

(C) All other Village employees who are not included within the two categories listed above in (A) or (B) will be subject to testing to comply with the requirements necessary to establish a Drug Free Workplace within the Village.

22-9-5 TESTING PROCEDURE. In conducting any drug testing under this policy, the Village shall:

(A) Use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory and Blood Bank Act, **210 ILCS 25/101 et seq.**, that has been or is capable of being accredited by the National Institute of Drug Abuse ("NIDA").

(B) Insure that the laboratory or facility selected conforms to all NIDA standards.

(C) Follow all Federal DOT guidelines for the collection, testing and reporting procedures.

(D) In conducting any alcohol testing under this policy, the Village shall use a facility that:

(1) Ensures that all technicians are trained and equipment is calibrated.

(2) Conducts breath test to detect the presence of alcohol or blood tests if circumstances require.

(E) The fees for drug/alcohol testing shall be paid as follows:

(1) Pre-employment testing will be paid by the Village.

(2) Post accident tests shall be paid by the Village.

(3) Reasonable suspicion testing will be paid by the Village.

(4) Random testing will be paid by the Village.

(5) Retesting at the request of the employee after a positive drug or alcohol test shall be at the employee's sole expense.

(6) Drug/Alcohol test for renewal of CDL Driver's License shall be paid by the Village.

22-9-6 SCREENING AND TESTING.

(A) Pre-Employment Testing.

- (1) All employee applicants shall be advised of the Village Drug/Alcohol testing requirements at the time of interview. After having successfully completed the interview process, the selected prospective full time employee shall then be required to successfully complete the Village’s drug screening test, as part of his/her background investigation.
- (2) All applicants for full time employment shall sign a release and consent/authorization form for Drug/Alcohol testing.
- (3) An applicant will not be employed or considered for employment if:
 - the test results confirm POSITIVE;
 - he/she refuses to complete the test;
 - he/she tampers with, or adulterates the specimen;
 - he/she fails to cooperate in the testing process (including executing all required documentation).

(B) Testing Based on Reasonable Suspicion. If there is a reasonable suspicion that any Village employee, paid or volunteer, has violated any of the prohibited actions covered by this policy, such employee may be required to undergo drug and/or alcohol testing. Reasonable suspicion exists if the facts and circumstances warrant a rational inference that an employee has violated any of the acts prohibited by this policy. Reasonable suspicion shall be based upon the following:

- (1) Observable phenomena, such as direct observation of use or the verifiable physical symptoms resulting from the abuse of drugs or being under the influence of alcohol which may include by way of example but is not limited to a pattern of abnormal conduct or erratic behavior, a dramatic decline in work performance, excessive sick leave usage, difficulty in walking, slurred speech, needle marks, glazed stare, and possession of alcohol, or unauthorized banned substance or drug paraphernalia at work.
- (2) Information provided by an identifiable, reliable and credible third party that an employee has committed any of the acts prohibited by this policy.

In the event reasonable suspicion exists, the Village shall arrange for a drug and/or alcohol test. When testing is ordered, the employee may be temporarily reassigned or relieved from duty and placed on leave with pay pending the receipt of the test results by the Village. The Village shall also provide the employee with written notice setting forth the objective facts and reasonable inferences to be drawn from those facts which form the basis of the reasonable suspicion.

The employee will then be escorted to the testing facility or collection facility by a designated supervisor immediately.

After completing the test, the employee will be escorted to his/her residence or at the option of his/her supervisor to another location to await the test results, and the employee shall be off work with pay pending the results of the tests. Under no circumstances shall the employee be allowed to leave the work site or the test site driving his/her own vehicle or a Village vehicle.

Employees who test positive for either drugs or alcohol will be subject to disciplinary action, up to and including termination.

(C) **Random Testing.** Random drug testing shall be conducted during working hours. Employees will be selected at random for a drug test by a random drawing/lottery. The testing times and dates are unannounced and are with unpredictable frequency throughout the year.

When testing is ordered, the employee will be directed to the testing facility or collection facility within a reasonable period of time.

After completing the test, the employee will return to work pending the results of the test.

Employees who test positive for drugs will be subject to disciplinary action, up to and including termination.

(D) **Post Accident Testing.** Post accident drug/alcohol testing is required immediately following any accident involving a Village employee, paid or volunteer, who operates Village equipment or operates a Village vehicle where an injury to a person has occurred or where damage to equipment, or property has occurred and that damage exceeds **One Hundred Dollars (\$100.00)**, based on actual cost or reliable estimates of damage.

When testing is ordered, the employee will be escorted to the testing facility or collection facility by a designated supervisor within a reasonable period of time following the accident.

Employees who test positive for either drugs or alcohol will be subject to disciplinary action, up to and including termination.

(E) **Testing Required for Position Required to Have a CDL.** In addition to the provisions of this policy, any employee who is appointed to a position required to have a commercial driver's license ("CDL") shall be subject to drug and/or alcohol screening following any work related accident. Mandatory drug screening shall also be required of all applicants chosen to be hired for positions requiring a CDL. Those who fail the pre-employment drug screening shall not be hired for those positions.

22-9-7 CONFIDENTIALITY OF TEST RESULTS. Any employee subject to a drug and/or alcohol test under this policy will be provided a copy of all information and reports received by the Village in connection with any drug and/or alcohol test and any results thereof under this policy. Any results of drug and alcohol test will be disclosed to any employee tested, the applicable supervisor, Village Attorney and those permitted by law.

22-9-8 CONSEQUENCES OF POSITIVE TEST RESULT OR REFUSAL TO COOPERATE. Any employee who refuses to cooperate in testing or who fails a test or violates the Drug and Alcohol Policy shall be subject to disciplinary action, up to and including termination.

ARTICLE X – POLICY PROHIBITING SEXUAL HARASSMENT

22-10-1 PROHIBITION ON SEXUAL HARASSMENT. It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of this Village to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

22-10-2 DEFINITION OF SEXUAL HARASSMENT. This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

(A) Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

(B) Conduct which may constitute sexual harassment includes:

- (1) **Verbal.** Sexual innuendoes, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside their presence, of a sexual nature.
- (2) **Non-verbal.** Suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- (3) **Visual.** Posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- (4) **Physical.** Touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- (5) **Textual/Electronic.** "Sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking or threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

(C) The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and

depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

22-10-3 **PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT.**

(A) An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible by clearly communicating his/her position to the offending employee, and his/her immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

(B) Any employee may report conduct which is believed to be sexual harassment, including the following:

- (1) **Electronic/Direct Communication.** If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express his/her objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- (2) **Contact with Supervisory Personnel.** At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources (Village Clerk), or the Mayor.
The employee experiencing what she/he believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the Municipality will not be presumed to have knowledge of the harassment.
- (3) **Resolution Outside Municipality.** The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the Municipality. However, all municipal employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within **three hundred (300) days** of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must also be filed within **three hundred (300) days**.
- (4) **Allegations Made Against an Elected Official by Another Elected Official.** In addition to the methods of reporting included above, an elected official may request an independent review of a complaint of sexual harassment by another elected official. The request shall be made to the human resources director (Village Clerk), or the Mayor. The official receiving the request shall take immediate action in keeping with the procurement process of the Municipality to retain a qualified individual or entity for the independent review of the allegations of sexual harassment in violation of this policy. The outcome of the independent review shall be reported to the corporate authorities.

(C) Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the location), including, but not limited to, written records such as letters, notes, memos and telephone messages.

(D) All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the Municipality. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

22-10-4 PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT ALLEGATIONS.

(A) No municipal official, municipal agency, municipal employee or municipal office shall take any retaliatory action against any municipal employee or official due to a municipal employee's or official's:

- (1) Disclosure or threatened disclosure of any violation of this policy, or
- (2) Providing information related to an investigation or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
- (3) Assistance with or participation in a proceeding to enforce the provisions of this policy.

(B) For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any municipal employee that is taken in retaliation for a municipal employee's or official's involvement in protected activity pursuant to this policy.

(C) No individual making a report will be retaliated against, even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

(D) Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (**5 ILCS 430/15-10**) provides whistleblower protection from retaliatory action, and this policy prohibited retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

- (1) Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, agency or other employee that the employee reasonably believes is in violation of a law, rule, or regulation; or
- (2) Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, agency or other employee; or
- (3) Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act or this policy.

(E) Pursuant to the Whistleblower Act (**740 ILCS 174/15(a)**), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the

employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. **(740 ILCS 174/15(b))**.

(F) According to the Illinois Human Rights Act **(775 ILCS 5/6-101)**, it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act.

(G) An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – either due within **three hundred (300) days** of the alleged retaliation.

22-10-5 CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARASSMENT. In addition to any and all other discipline that may be applicable pursuant to municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in **5 ILCS 430/5-65**, may be subject to a fine of up to **Five Thousand Dollars (\$5,000.00)** per offense, applicable discipline or discharge by the Municipality and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the Municipality shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

22-10-6 CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT. A false report is a report of sexual harassment made by an accuser to accomplish an outcome other than stopping sexual harassment or stopping retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the Illinois State Police, a State’s Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to **Five Thousand Dollars (\$5,000.00)** against any person who intentionally makes a false, frivolous or bad faith allegation.

(Ord. No. 2020-26; 12-14-20)

ARTICLE XI – ANTI-BULLYING POLICY

22-11-1 APPLICATION OF POLICY. The Village finds a safe work environment is beneficial for employees and promotes productivity. Workplace bullying has been linked to absenteeism, drug and alcohol use, and sexual violence. The Village considers workplace bullying unacceptable and will not tolerate it. The anti-bullying policy shall apply to all individuals who are employees, volunteers and contractors. For purposes of this policy:

- (A) **"Employee"** is defined as an individual working for the Village for remuneration;
- (B) **"Volunteer"** is defined as an individual who volunteers services to the Village without remuneration;
- (C) **"Contractor"** is defined as an individual who contracts with the Village to provide services, or an individual who works for a contractor of the Village.

22-11-2 DEFINITION. Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a person that has or can be reasonably predicted to have the effect of one or more of the following:

- (A) placing the person in reasonable fear of harm to the person or the person's property;
- (B) causing a substantially detrimental effect on the person's physical or mental health;
- (C) substantially interfering with the person's productivity; or
- (D) substantially interfering with the person's ability to participate in or benefit from the opportunities offered by the employer.

Bullying may be intentional or unintentional. The Village considers the following types of behavior illustrative examples of bullying: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, pushing; shoving; kicking; poking; tripping; assault, or threat of physical assault; theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

22-11-3 BULLYING PROHIBITED. Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, and any other distinguishing characteristic is prohibited in all places of employment, and an employer shall prevent bullying in its place of employment.

- (A) No person shall be subjected to bullying:
 - (1) during any period of employment activity;
 - (2) while working, on property of the employer, or at employer-sponsored or employer-sanctioned events or activities; or
 - (3) through the transmission of information from an employment utilized telephone, computer, computer network, or other similar electronic employer-utilized equipment.
- (B) Nothing in this policy is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment of the United States Constitution.

22-11-4 DISCIPLINARY ACTION. Any employee or volunteer who is determined, after an investigation, to have engaged in bullying in violation of this policy shall be subject to disciplinary action up to and including immediate discharge. Any contractor found to be in violation of this policy may be subject to contract cancellation.

(A) **False Accusations.** False accusations regarding bullying against employees, volunteers, contractors, or elected officials shall not be tolerated, and any person knowingly making a false accusation shall be subject to disciplinary action up to and including immediate discharge.

(B) **Retaliation for Reporting Bullying.** The Village shall discipline any employee or volunteer who retaliates against any person who reports who reports alleged bullying, or who retaliates against any person who testifies, assists or participates in an investigation, a proceeding or a hearing relating to bullying complaint. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. Contractors are likewise prohibited from retaliating.

22-11-5 REPORTING AND COMPLAINT PROCEDURE. The Village encourages all employees, volunteers or contractors to promptly report any instance of bullying behavior. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of bullying. Therefore, while no fixed reporting period has been established, prompt reporting of complaints or concerns is encouraged so that rapid and constructive action can be taken. The Village shall make every effort to stop alleged workplace bullying before it becomes severe or pervasive, but can only do so with the cooperation of its employees.

Reports of bullying will be treated seriously, and investigated promptly and impartially. The Village further encourages all individuals to whom this policy applies to formally report any concerns of assault, battery, or other bullying behavior of a criminal nature to the Village Attorney's office. The Village Board requires any supervisor who witnesses bullying, irrespective of reporting relationship or his/her responsibility to address it, to promptly report this conduct to the Police Chief or the Mayor.

Individuals who believe they have experienced conduct that they believe violates this policy, or who have concerns about such matter, should report their complaints or concerns verbally or in writing to his or her supervisor, or the Village Attorney, before the conduct becomes severe or pervasive. If a verbal report is made, it shall be documented in writing by the official to whom it is reported. Individuals should not feel obligated to report their complaints to their immediate supervisor first before bringing the matter to the attention of one of the other designated Village representatives identified above.

The availability of this complaint procedure does not preclude individuals who believe they are being subjected to bullying conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that such behavior immediately stop.

ARTICLE XII – DOMESTIC AND SEXUAL VIOLENCE POLICY

22-12-1 **PURPOSE OF POLICY.** Domestic violence can permeate the lives and compromise the safety of employees with tragic, destructive and often fatal results. Domestic violence occurs within a wide spectrum of relationships, including married and formerly married couples, couples with children in common, couples who live together or have lived together, gay, lesbian, bisexual and transgender couples, and couples who are dating or who have dated in the past. Domestic violence represents a pattern of coercive tactics which can include physical, psychological, sexual, economic and emotional abuse perpetrated by one person against another in an intimate relationship or in the same household, with the goal of establishing and maintaining power and control over the victim. In addition to exacting a tremendous toll from the individuals it directly affects, domestic violence often spills over into the workplace, compromising the safety of both victims and co-workers and resulting in lost productivity, increased health care costs, increased absenteeism, and increased employee turnover. The Village will take appropriate actions to promote safety in the workplace and respond effectively to the needs of victims of domestic violence.

22-12-2 **DEFINITION.** For purposes of this policy and pursuant to the Illinois Victims' Economic Security and Safety Act (VESSA), the following terms are defined as follows:

(A) **"Abuser":** A person who perpetrates a pattern of coercive tactics which can include physical, psychological, sexual, economic, and emotional abuse against an adult intimate partner, with the goal of establishing and maintaining power and control over the victim.

(B) **"Domestic Violence":** Domestic violence means abuse by a family or household member, as defined by this policy pursuant to Section 103 of the Illinois Domestic Violence Act of 1986. Domestic violence includes sexual assault or stalking.

(C) **"Employee":** A person working for the Village for remuneration for services.

(D) **"Family or Household Member":** For employees with a family or household member who is a victim of domestic or sexual violence, this means spouse, parent, son, daughter, other person related by blood or by present or prior marriage, another person who shares a relationship through a son or daughter, and persons jointly residing in the same household.

(E) **"Parent"** means biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or daughter as defined herein.

(F) **"Son or Daughter"** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is under **eighteen (18) years** of age, or is **eighteen (18) years** of age or older and incapable of self-care because of a mental or physical disability.

22-12-3 **VICTIMS' ECONOMIC SECURITY AND SAFETY ACT (VESSA).** The person against whom an abuser directs coercive and/or violent acts, including an employee who is a victim of domestic or sexual violence, or an employee's family or household member who is a victim of domestic or sexual violence, and whose interests are not adverse to the employee as it related to domestic or sexual violence.

22-12-4 **POLICY.**

(A) **Employee Awareness.** The Village shall take reasonable actions to educate employees regarding the effects of domestic violence and methods to report such violence to authorities. It is the policy of the Village that information on domestic violence and available resources shall be available to employees through the Village Board and by this written policy, which shall be disseminated to employees.

(B) **Non-Discriminatory Policy.** Non-Discriminatory and Responsive Personnel Policies for Victimized Employees of the Village shall ensure that personnel policies and procedures do not discriminate against victims of domestic violence and are responsive to the needs of victims of domestic violence.

- (1) Illinois law prohibits employers from interfering with, restraining, or denying the exercise of any right provided under VESSA. This law requires employers, when given **forty-eight (48) hours** prior notification, to allow time off for employed victims of domestic or sexual violence and employees with a family or household member who is a victim of domestic or sexual violence, to take unpaid leave to seek medical help, legal assistance, counseling, safety planning, and other assistance without penalty from the employer for the employee or the family or household member who is a victim.
- (2) Illinois law prohibits employers from discriminating against any employee who is a victim of domestic or sexual violence or any employee who has a family or household member who is a victim of domestic or sexual violence.
- (3) An employee who is a victim of domestic or sexual violence, or has a family or household member who is a victim of domestic or sexual violence and whose interests are not adverse to the employee as it relates to domestic or sexual violence, may take unpaid leave from work to address domestic or sexual violence by:
 - (a) seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the victim;
 - (b) obtaining services from a victim services organization for the victim;
 - (c) obtaining psychological or other counseling for the victim;
 - (d) participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the victim;
 - (e) seeking legal assistance or remedies to ensure the health and safety of the victim, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.
- (4) The employee shall be entitled to a total of **twelve (12) workweeks** of leave during any **twelve (12) month** period. This policy does not create a right for an employee to take an unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to, the unpaid leave time permitted by the federal Family Medical Leave Act. Leave may be taken intermittently or on a reduced work schedule. An employee may substitute accumulated paid leave for unpaid leave; however, the paid leave will count toward the number of workweeks used for purposes of this policy. The employee shall provide at least **forty-eight (48) hours** advance notice of the employee's intention to take leave, unless providing such notice is not practicable. No action will be taken against an employee for failing to provide **forty-eight (48) hours** advance notice if the employee provides certification that leave was used for the purposes outlined in **Section 22-12-4(B)(2)** of this Section and can demonstrate that advance notice was not practicable.
- (5) During a leave taken pursuant to this policy, the Village shall maintain coverage under its group health plan for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment for the duration of such

leave. If the employee fails to return from leave, however, the Village may recover any premium costs it paid for such coverage if the reason for the employee not returning is other than the continuation, recurrence, or onset of domestic or sexual violence or circumstances beyond the control of the employee. Neither seniority nor leave benefits will accrue to the employee during unpaid leave.

- (6) The Village, upon request, will assist the employee in determining the best use of his/her attendance and leave benefits when an employee needs to be absent as a result of being a victim of domestic violence. If an employee requests time off to care for and/or assist a family or household member who has been a victim of domestic violence, the employee's supervisor or the Village Board (or their designee) will evaluate the employee's request for leave for eligibility under existing law and collective bargaining agreements applicable to the employee and the attendance rules.
- (7) The Village requires certification from an employee for leave under this policy. The employee shall certify that the leave is for one of the purposes enumerated in **Section 22-12-4(B)** of this Section. Certification shall be provided to the employer within a time period set by the employer.
- (8) The Village understands that victims of domestic violence may lack the required documentation or have difficulty obtaining the required certification to justify absences without compromising their safety. Therefore, the Mayor or his designee shall consult with the employee to identify what documentation she/he might have, or be able to obtain, that will not compromise his/her safety-related needs and will satisfactorily meet the documentation requirement of the employer.
- (9) All information provided to the employer pursuant to notification and certification requirements of this policy, and the purposes for which leave may be requested pursuant to this policy, shall be retained in strictest confidence by the employer, except to the extent that disclosure is requested or consented to in writing by the employee, or otherwise required by applicable federal or State law. Reported information shall be kept private to the greatest extent possible by Federal law, State law, and Village policy; however, information may have to be disclosed pursuant to a subpoena, Illinois Supreme Court Rules, a court of law, or where otherwise required by law. Where medical information is received by the Village from an employee who is the victim of domestic violence, such medical information shall be kept confidential.
- (10) Employees who are victims of domestic violence and who are legally separated from a covered spouse or civil-union partner, shall be allowed to make reasonable changes in benefits at any time during the calendar year, provided the change is requested within **thirty (30) days** of the separation and is in accordance with the Village policies, rules, and regulations.
- (11) The Village will not make inquiries about a job applicant's current or past domestic violence victimization, and employment decisions will not be based on any assumptions about or knowledge of such exposure.

(C) **Accountability for Employees Who are Abusers.** The Village will hold employees, individuals who volunteer services to the Village without remuneration (hereafter "volunteers"), and individuals who contract with the Village or work for contractors of the Village (hereafter "contractors"), accountable for engaging in the following behavior: (i) using Village resources to commit an act of domestic violence; (ii) committing an act of domestic violence from or at the workplace or from any other location while on official Village business; or (iii) using their job-related

authority and/or Village resources in order to negatively affect victims and/or assist perpetrators in locating a victim and/or in perpetrating an act of domestic violence.

Any physical assault or threat made by an employee, volunteer, or contractor, while on Village premises, during working hours, while representing the Village, or at a Village-sponsored event, is a serious violation of this policy. This policy applies not only to acts against employees, but to acts against all other persons. Those found to have violated this policy will be subject to corrective or disciplinary action, up to and including discharge.

- (1) In cases in which the Village has found that an employee, volunteer, or contractor, has threatened, harassed, or abused an intimate partner at the workplace using Village resources such as work time, workplace telephones, facsimile machines, mail, e-mail or other means, said employee shall be subject to corrective or disciplinary action.
