(H) Any candidate seeking employment with the Village shall complete an affidavit attesting to all the social media and social networking platforms in which they maintain or participate.

ARTICLE VI – ANTI-BULLYING POLICY

11-6-1 APPLICATION OF POLICY. The Village finds a safe work environment is beneficial for employees and promotes productivity. Workplace bullying has been linked to absenteeism, drug and alcohol use, and sexual violence. The Village considers workplace bullying unacceptable and will not tolerate it. The anti-bullying policy shall apply to all individuals who are employees, volunteers and contractors. For purposes of this policy:

(A) **"Employee"** is defined as an individual working for the Village for remuneration;

(B) **"Volunteer"** is defined as an individual who volunteers services to the Village without remuneration;

(C) **"Contractor"** is defined as an individual who contracts with the Village to provide services, or an individual who works for a contractor of the Village.

11-6-2 DEFINITION. Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a person that has or can be reasonably predicted to have the effect of one or more of the following:

(A) placing the person in reasonable fear of harm to the person or the person's property;

(B) causing a substantially detrimental effect on the person's physical or mental health;

(C) substantially interfering with the person's productivity; or

(D) substantially interfering with the person's ability to participate in or benefit from the opportunities offered by the employer.

Bullying may be intentional or unintentional. The Village considers the following types of behavior illustrative examples of bullying: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, pushing; shoving; kicking; poking; tripping; assault, or threat of physical assault; theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

11-6-3 BULLYING PROHIBITED. Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, and any other distinguishing characteristic is prohibited in all places of employment, and an employer shall prevent bullying in its place of employment.

(A) No person shall be subjected to bullying:

(1) during any period of employment activity;

(2) while working, on property of the employer, or at employer-sponsored or employer-sanctioned events or activities; or

(3) through the transmission of information from an employment utilized telephone, computer, computer network, or other similar electronic employer-utilized equipment.

(B) Nothing in this policy is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment of the United States Constitution.

11-6-4 DISCIPLINARY ACTION. Any employee or volunteer who is determined, after an investigation, to have engaged in bullying in violation of this policy shall be subject to disciplinary action up to and including immediate discharge. Any contractor found to be in violation of this policy may be subject to contract cancellation.

(A) **False Accusations.** False accusations regarding bullying against employees, volunteers, contractors, or elected officials shall not be tolerated, and any person knowingly making a false accusation shall be subject to disciplinary action up to and including immediate discharge.

(B) **Retaliation for Reporting Bullying.** The Village shall discipline any employee or volunteer who retaliates against any person who reports who reports alleged bullying, or who retaliates against any person who testifies, assists or participates in an investigation, a proceeding or a hearing relating to bullying complaint. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. Contractors are likewise prohibited from retaliating.

11-6-5 REPORTING AND COMPLAINT PROCEDURE. The Village encourages all employees, volunteers or contractors to promptly report any instance of bullying behavior. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of bullying. Therefore, while no fixed reporting period has been established, prompt reporting of complaints or concerns is encouraged so that rapid and constructive action can be taken. The Village shall make every effort to stop alleged workplace bullying before it becomes severe or pervasive, but can only do so with the cooperation of its employees.

Reports of bullying will be treated seriously, and investigated promptly and impartially. The Village further encourages all individuals to whom this policy applies to formally report any concerns of assault, battery, or other bullying behavior of a criminal nature to the Village Attorney's office. The Village Board requires any supervisor who witnesses bullying, irrespective of reporting relationship or his/her responsibility to address it, to promptly report this conduct to the Police Chief or the Mayor.

Individuals who believe they have experienced conduct that they believe violates this policy, or who have concerns about such matter, should report their complaints or concerns verbally or in writing to his or her supervisor, or the Village Attorney, before the conduct becomes severe or pervasive. If a verbal report is made, it shall be documented in writing by the official to whom it is reported. Individuals should not feel obligated to report their complaints to their immediate supervisor first before bringing the matter to the attention of one of the other designated Village representatives identified above.

The availability of this complaint procedure does not preclude individuals who believe they are being subjected to bullying conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that such behavior immediately stop.

ARTICLE VII – DOMESTIC AND SEXUAL VIOLENCE POLICY

11-7-1 **PURPOSE OF POLICY.** Domestic violence can permeate the lives and compromise the safety of employees with tragic, destructive and often fatal results. Domestic violence occurs within a wide spectrum of relationships, including married and formerly married couples, couples with children in common, couples who live together or have lived together, gay, lesbian, bisexual and transgender couples, and couples who are dating or who have dated in the past. Domestic violence represents a pattern of coercive tactics which can include physical, psychological, sexual, economic and emotional abuse perpetrated by one person against another in an intimate relationship or in the same household, with the goal of establishing and maintaining power and control over the victim. In addition to exacting a tremendous toll from the individuals it directly affects, domestic violence often spills over into the workplace, compromising the safety of both victims and co-workers and resulting in lost productivity, increased health care costs, increased absenteeism, and increased employee turnover. The Village will take appropriate actions to promote safety in the workplace and respond effectively to the needs of victims of domestic violence.

11-7-2 **DEFINITION.** For purposes of this policy and pursuant to the Illinois Victims' Economic Security and Safety Act (VESSA), the following terms are defined as follows:

(A) **"Abuser":** A person who perpetrates a pattern of coercive tactics which can include physical, psychological, sexual, economic, and emotional abuse against an adult intimate partner, with the goal of establishing and maintaining power and control over the victim.

(B) **"Domestic Violence":** Domestic violence means abuse by a family or household member, as defined by this policy pursuant to Section 103 of the Illinois Domestic Violence Act of 1986. Domestic violence includes sexual assault or stalking.

(C) **"Employee":** A person working for the Village for remuneration for services.

(D) **"Family or Household Member":** For employees with a family or household member who is a victim of domestic or sexual violence, this means spouse, parent, son, daughter, other person related by blood or by present or prior marriage, another person who shares a relationship through a son or daughter, and persons jointly residing in the same household.

(E) **"Parent"** means biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or daughter as defined herein.

(F) **"Son or Daughter"** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is under **eighteen (18) years** of age, or is **eighteen (18) years** of age or older and incapable of self-care because of a mental or physical disability.

11-7-3 **VICTIMS' ECONOMIC SECURITY AND SAFETY ACT (VESSA).** The person against whom an abuser directs coercive and/or violent acts, including an employee who is a victim of domestic or sexual violence, or an employee's family or household member who is a victim of domestic or sexual violence, and whose interests are not adverse to the employee as it related to domestic or sexual violence.

11-7-4 POLICY.

(A) **Employee Awareness.** The Village shall take reasonable actions to educate employees regarding the effects of domestic violence and methods to report such violence to authorities. It is the policy of the Village that information on domestic violence and available resources shall be available to employees through the Village Board and by this written policy, which shall be disseminated to employees.

(B) **Non-Discriminatory Policy.** Non-Discriminatory and Responsive Personnel Policies for Victimized Employees of the Village shall ensure that personnel policies and procedures do not discriminate against victims of domestic violence and are responsive to the needs of victims of domestic violence.

- (1) Illinois law prohibits employers from interfering with, restraining, or denying the exercise of any right provided under VESSA. This law requires employers, when given **forty-eight (48) hours** prior notification, to allow time off for employed victims of domestic or sexual violence and employees with a family or household member who is a victim of domestic or sexual violence, to take unpaid leave to seek medical help, legal assistance, counseling, safety planning, and other assistance without penalty from the employer for the employee or the family or household member who is a victim.
- (2) Illinois law prohibits employers from discriminating against any employee who is a victim of domestic or sexual violence or any employee who has a family or household member who is a victim of domestic or sexual violence.
- (3) An employee who is a victim of domestic or sexual violence, or has a family or household member who is a victim of domestic or sexual violence and whose interests are not adverse to the employee as it relates to domestic or sexual violence, may take unpaid leave from work to address domestic or sexual violence by:
 - (a) seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the victim;
 - (b) obtaining services from a victim services organization for the victim;
 - (c) obtaining psychological or other counseling for the victim;
 - (d) participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the victim;
 - (e) seeking legal assistance or remedies to ensure the health and safety of the victim, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.
- (4) The employee shall be entitled to a total of **twelve (12) workweeks** of leave during any **twelve (12) month** period. This policy does not create a right for an employee to take an unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to, the unpaid leave time permitted by the federal Family Medical Leave Act. Leave may be taken intermittently or

on a reduced work schedule. An employee may substitute accumulated paid leave for unpaid leave; however, the paid leave will count toward the number of workweeks used for purposes of this policy. The employee shall provide at least **forty-eight (48) hours** advance notice of the employee's intention to take leave, unless providing such notice is not practicable. No action will be taken against an employee for failing to provide **forty-eight (48) hours** advance notice if the employee provides certification that leave was used for the purposes outlined in **Section 11-7-4(B)(2)** of this Section and can demonstrate that advance notice was not practicable.

- (5) During a leave taken pursuant to this policy, the Village shall maintain coverage under its group health plan for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment for the duration of such leave. If the employee fails to return from leave, however, the Village may recover any premium costs it paid for such coverage if the reason for the employee not returning is other than the continuation, recurrence, or onset of domestic or sexual violence or circumstances beyond the control of the employee. Neither seniority nor leave benefits will accrue to the employee during unpaid leave.
- (6) The Village, upon request, will assist the employee in determining the best use of his/her attendance and leave benefits when an employee needs to be absent as a result of being a victim of domestic violence. If an employee requests time off to care for and/or assist a family or household member who has been a victim of domestic violence, the employee's supervisor or the Village Board (or their designee) will evaluate the employee's request for leave for eligibility under existing law and collective bargaining agreements applicable to the employee and the attendance rules.
- (7) The Village requires certification from an employee for leave under this policy. The employee shall certify that the leave is for one of the purposes enumerated in **Section 11-7-4(B)** of this Section. Certification shall be provided to the employer within a time period set by the employer.
- (8) The Village understands that victims of domestic violence may lack the required documentation or have difficulty obtaining the required certification to justify absences without compromising their safety. Therefore, the Mayor or his designee shall consult with the employee to identify what documentation she/he might have, or be able to obtain, that will not compromise his/her safety-related needs and will satisfactorily meet the documentation requirement of the employer.
- (9) All information provided to the employer pursuant to notification and certification requirements of this policy, and the purposes for which leave may be requested pursuant to this policy, shall be retained in strictest confidence by the employer, except to the

extent that disclosure is requested or consented to in writing by the employee, or otherwise required by applicable federal or State law. Reported information shall be kept private to the greatest extent possible by Federal law, State law, and Village policy; however, information may have to be disclosed pursuant to a subpoena, Illinois Supreme Court Rules, a court of law, or where otherwise required by law. Where medical information is received by the Village from an employee who is the victim of domestic violence, such medical information shall be kept confidential.

- (10) Employees who are victims of domestic violence and who are legally separated from a covered spouse or civil-union partner, shall be allowed to make reasonable changes in benefits at any time during the calendar year, provided the change is requested within **thirty (30) days** of the separation and is in accordance with the Village policies, rules, and regulations.
- (11) The Village will not make inquiries about a job applicant's current or past domestic violence victimization, and employment decisions will not be based on any assumptions about or knowledge of such exposure.

(C) **Accountability for Employees Who are Abusers.** The Village will hold employees, individuals who volunteer services to the Village without remuneration (hereafter "volunteers"), and individuals who contract with the Village or work for contractors of the Village (hereafter "contractors"), accountable for engaging in the following behavior: (i) using Village resources to commit an act of domestic violence; (ii) committing an act of domestic violence from or at the workplace or from any other location while on official Village business; or (iii) using their job-related authority and/or Village resources in order to negatively affect victims and/or assist perpetrators in locating a victim and/or in perpetrating an act of domestic violence.

Any physical assault or threat made by an employee, volunteer, or contractor, while on Village premises, during working hours, while representing the Village, or at a Village-sponsored event, is a serious violation of this policy. This policy applies not only to acts against employees, but to acts against all other persons. Those found to have violated this policy will be subject to corrective or disciplinary action, up to and including discharge.

- (1) In cases in which the Village has found that an employee, volunteer, or contractor, has threatened, harassed, or abused an intimate partner at the workplace using Village resources such as work time, workplace telephones, facsimile machines, mail, e-mail or other means, said employee shall be subject to corrective or disciplinary action.
- (2) In cases in which the Village has verification that an employee, volunteer, or contractor is responsible for a domestic violence-related offense, or is the subject of any order of protection, including temporary, final or out-of-state order, as a result of domestic violence, and said employee, volunteer or contractor has job functions that include the authority to take actions that directly impact victims of domestic violence and/or actions that may protect abusers from appropriate consequences for their behavior, the Mayor shall determine if corrective action is warranted.

- (3) In cases in which any employee, volunteer, or contractor intentionally uses his/her job-related authority and/or intentionally uses Village resources in order to negatively impact a victim of domestic violence, assist an abuser in locating a victim, assist an abuser in perpetrating acts of domestic violence, or protect an abuser from appropriate consequences for his/her behavior, said individual may be subject to corrective or disciplinary action.

ARTICLE VIII - SEXUAL MISCONDUCT POLICY

11-8-1 SEXUAL MISCONDUCT POLICY STATEMENT. The Village will not tolerate and will seek to eradicate any behavior by its employees, volunteers or students which constitutes sexual misconduct toward another employee, volunteer or student. "Sexual misconduct" means any actual, attempted or alleged sexual molestation, assault, abuse, sexual exploitation or sexual injury. "Sexual misconduct" does not include "sexual harassment".

11-8-2 REPORTING PROCEDURES AND DESIGNATED SEXUAL ABUSE COORDINATOR. It is the express policy of the Village to encourage victims of sexual misconduct, and their parents or guardians in the case of minors, to come forward with such claims. The Village shall designate a Sexual Abuse Coordinator, who hereinafter shall be referred to as "Coordinator", who shall remain accountable for the implementation and monitoring of this policy. The identity of the Sexual Abuse Coordinator shall remain on file with the Village. In order to conduct an immediate investigation, any incident of sexual misconduct shall be reported as quickly as possible in confidence, as follows:

(A) **Employees and Volunteers.** Employees and volunteers are required to report any known or suspected incidents of sexual misconduct. They must also report to their supervisor or the Coordinator. If the person to whom an employee or volunteer is directed to report is the offending person, the report should be made to the next higher level of administration or supervision.

(B) **Investigation and Confidentiality.** All formal complaints will be given a full impartial and timely investigation. During such investigation, while every effort will be made to protect the privacy rights of all parties' confidentiality cannot be guaranteed.

(C) **Discipline.** Any Village employee or volunteer who is determined, after an investigation, to have engaged in sexual misconduct in violation of this policy will be subject to disciplinary action up to and including discharge.

False accusations regarding sexual misconduct will not be tolerated, and any person knowingly making a false accusation shall likewise be subject to disciplinary action up to and including discharge, with regard to employees or volunteers.

The Village shall discipline any individual who retaliates against any person who reports alleged sexual misconduct or who retaliates against any person who testifies, assists or participates in an investigation, a proceeding or a hearing relating to a sexual misconduct complaint. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

11-8-3 CHILD ABUSE. Sexual abuse of a minor is a crime.

(A) **Child Abuse Incident Reporting and Follow-Up.** Any case of known or suspected child abuse of a minor must be reported immediately in compliance with Illinois mandatory reporting guidelines and to the Coordinator and the Village Attorney's Office.

In the event that the Coordinator is first notified of an incident of known or suspected child abuse, the Coordinator shall immediately notify the child's parent or legal guardian as the case be, and the appropriate legal authorities as required by state or local law. The Coordinator shall prepare a Suspected Child Abuse Standard Report and immediately follow-up to investigate the incident and to ascertain the condition of the child. The Coordinator shall communicate any questions or concerns about any incident with the State's Attorney.

Any employee or volunteer involved in a reported incident of sexual misconduct or child abuse shall be immediately relieved of responsibilities that involve interaction with minors or shall be suspended, as determined by the employee's supervisor. Reinstatement of employees or volunteers involved in a reported incident of child abuse shall occur only after all allegations of child abuse have been cleared by the County.

(B) **Maintenance of Records and Documents.** The Coordinator shall maintain all records and documentation required by law or otherwise required by this and other such related policies of the Village including all documents related to procedures for hiring-screening, employee/volunteer code of conduct, training, sign-in/sign-out, pick-up and release procedures, incident reporting follow-up and disciplinary action.

ARTICLE IX – WHISTLEBLOWER POLICY

11-9-1 WHISTLEBLOWER POLICY.

(A) **Code of Conduct.** The Village requires employees to observe the highest standards of business and personal ethics in conducting their duties on behalf of the Village. Compliance with all applicable federal, state and local laws, rules and regulations is required. All employees are expected to fulfill their duties honestly and with integrity.

(B) **Reporting Responsibility.** Employees are encouraged and expected to report suspected violations of federal, state or local law, rules or regulations or suspected ethical violations.

Anyone who violates this policy against retaliation is subject to disciplinary action, including but not limited to, termination of employment.

(D) **Reporting Procedure.** The Village has an open door policy and expects and encourages employees to address questions, concerns and complaints with their supervisor. Supervisors are required to report complaints regarding suspected unethical or illegal conduct in writing to the Mayor. If an employee is not comfortable speaking with his/her supervisor or is not satisfied with the supervisor's response, he/she may discuss the matter with the Mayor. If a complaint involves suspected conduct of the Mayor, a complaint may be brought directly to the Chief of Police or the Village Attorney. The Mayor is responsible for informing the Village Board of Trustees of all complaints of unethical or unlawful conduct pursuant to this policy.
