

**VILLAGE OF BETHALTO
WATER SYSTEM FLUSHING**

The Village of Bethalto will begin flushing its entire water system starting Monday, October 2, 2023, and continuing until completed. Customers can expect occasional stained water and periods of low pressure throughout this process. During periods of discoloration, you may want to refrain from laundering clothes. Any questions, please contact Water Plant Operator Jim Williams at (618) 570-5098. We appreciate your patience and cooperation as we complete this necessary task.
