30-4-6 FINANCING.

(A) It is the intent of the Village Board and declared to be the policy of the municipality that every effort shall be made to provide funds for disaster emergencies.

(B) It is the Village Board's intent that the first recourse shall be to funds regularly appropriated to the agency. If the Mayor finds that the demands placed upon these funds in coping with a particular disaster are unreasonably great, and the Governor has proclaimed the municipality a disaster, he may make application for funds from the state disaster relief fund. If monies available from the fund are insufficient, and if the Mayor finds that other sources of money to cope with the disaster are not available or are insufficient, he shall issue a call for an immediate session of the Village Board for the purpose of enacting ordinances as the Village Board may deem necessary to transfer and expend monies appropriated for other purposes, or borrow monies from the United States Government or other public or private sources. If less than a quorum of the members of the Village Board is capable of convening in session to enact such ordinances for the transfer, expenditure or loan of such monies, the Mayor is authorized to carry out those decisions until such time as a quorum of the Village Board can convene.

(C) Nothing contained in this Section shall be construed to limit the Mayor's authority to apply for, administer and expend grants, gifts, or payments in aid of disaster prevention, preparedness, response or recovery.

30-4-7 LOCAL DISASTER EMERGENCIES.

(A) A local disaster emergency may be declared only by the Mayor or Village Board. If declared by the Mayor, it shall not be continued for a period in excess of **seven (7) days** except by or with the consent of the Village Board. Any order or proclamation declaring, continuing or terminating a local disaster emergency shall be given prompt and general publicity, and shall be filed promptly with the municipal clerk.

(B) The effect of a declaration of a local disaster emergency is to activate any and all applicable local emergency operations plans and to authorize the furnishing of aid and assistance thereunder.

(C) During a local disaster emergency, the Mayor may suspend the provisions of any municipal ordinance prescribing procedures for the conduct of municipal business, or the orders, rules and regulations of any municipal agency, if strict compliance with the provisions of any ordinance, rule or regulation would in any way prevent, hinder or delay necessary action in coping with the emergency, as authorized by "**The Illinois Emergency Management Agency Act**", provided that, if the Village Board meets at such time, he shall act subject to the directions and restrictions imposed by that body.

30-4-8 TESTING OF DISASTER WARNING DEVICES. The testing of disaster devices including outdoor warning sirens shall be held only on the first Tuesday of each month at **10 o'clock** in the morning.

30-4-9 **MUTUAL AID ARRANGEMENTS BETWEEN POLITICAL SUBDIVISIONS.**

The coordinator for emergency management operations may, in collaboration with other public agencies within his immediate vicinity, develop or cause to be developed mutual aid arrangements with other political subdivisions, municipal corporations or bodies politic within this state for reciprocal disaster response and recovery in case a disaster is too great to be dealt with unassisted. The mutual aid shall not, however, be effective unless and until approved by each of such political subdivisions, municipal corporations or bodies politic as are parties thereto, in the manner provided by law, and unless and until filed with and approved in writing by the state director. Such arrangements shall be consistent with the state and local emergency management operations plan and program, and in the event of such disaster as described in **Section 30-4-3** of this Code, it shall be the duty of each local and department for emergency management operations to render assistance in accordance with the provisions of such mutual aid arrangements.

30-4-10 **COMMUNICATIONS.**

The local Emergency Management Agency shall ascertain what means exist for rapid and efficient communications in times of disaster emergencies. The agency shall consider the desirability of supplementing these communications resources or of integrating them into a comprehensive system or network. In studying the character and feasibility of any system or its several parts, the agency shall evaluate the possibility of multipurpose use thereof for general municipal and local governmental purposes. The agency shall make recommendations to the Mayor as appropriate.

30-4-11 **IMMUNITY.**

Neither the municipality, the agency or any member thereof or any person acting at their direction, engaged in any emergency management operations or disaster activities, while complying with or attempting to comply with this Code or any rule or regulations promulgated pursuant to this Code is liable for the death of or any injury to persons, or damage to property, as a result of such activity. This section does not, however, affect the right of any person to receive benefits to which he would otherwise be entitled under this act under the Worker's Compensation Act or the Worker's Occupational Diseases Act, or under any pension law, and this Section does not affect the right of any such person to receive any benefits or compensation under any Act of Congress.

30-4-12 **PROFESSIONS, TRADES AND OCCUPATIONS.**

If such disaster as is described in **Section 30-4-3** occurs in this municipality and the services of persons who are competent to practice any profession, trade or occupation are required in this municipality to cope with the disaster situation and it appears that the number of persons licensed or registered in this municipality to practice such profession, trade or occupation may be insufficient for such purpose, then any persons who are licensed elsewhere to practice any such profession, trade or occupation may, if a member of another political subdivision rendering aid in this municipality pursuant to the order of the head of that political subdivision and upon the request of the municipality, or if otherwise requested so to do by the Mayor or the coordinator of this municipality, during the time the disaster condition continues, practice such profession, trade or occupation in this municipality without being licensed or registered in this municipality.

30-4-13 **APPROPRIATIONS AND LEVY OF TAX.**

The Village Board may make appropriations for emergency management operations in the manner provided by law for making appropriations for the ordinary expenses of such political subdivision. The Village Board may also levy for emergency management operations a tax not to exceed **.05%** of the full, fair cash value as equalized or assessed by the Department of Revenue on all taxable property in the municipality for the current year. However, the amount collectible under such a levy shall in no event exceed **Twenty-Five Cents (\$0.25)** per capita. The annual tax shall be in addition to and in excess of the amount authorized to be levied for general corporate purposes.

30-4-14 **AUTHORITY TO ACCEPT SERVICES, GIFTS, GRANTS OR LOANS.**

Whenever the federal or state governments, or any agency or officer thereof, or whenever any person, firm or corporation shall offer to the municipality services, equipment, supplies, materials or funds by way of gift or grant for purposes of emergency management, the municipality, acting through the Mayor or through its Village Board, may accept such offer and upon such acceptance the Mayor or the Village Board may authorize any officer of the municipality to receive such services, equipment, supplies, materials or funds on behalf of the municipality.

30-4-15 **ORDERS, RULES AND REGULATIONS.**

(A) The Mayor shall file a copy of every rule, regulation or order and any amendment thereof made by him pursuant to the provisions of this Code in the office of the Municipal Clerk. No such rule, regulation or order, or any amendment thereof, shall be effective until **ten (10) days** after such filing; provided, however, that upon the declaration of such a disaster emergency by the Mayor as is described in **Section 30-4-7**, the provision relating to the effective date of any rule, regulation order or amendment issued pursuant to this Code and during the state of such disaster emergency, is abrogated, and said rule, regulation, order or amendment shall become effective immediately upon being filed with the Municipal Clerk, accompanied by a certificate stating the reason for the emergency.

(B) The Emergency Management Agency established pursuant to this Code, and the coordinator thereof, shall execute and enforce such orders, rules and regulations as may be made by the Governor under authority of the Illinois Emergency Management Agency Act. The local Emergency Management Agency shall have available for inspection at its office all orders, rules and regulations made by the Governor, or under this authority. The State Emergency Management Agency shall furnish such orders, rules and regulations to the agency.

30-4-16 **UTILIZATION OF EXISTING AGENCY, FACILITIES AND PERSONNEL.** In

carrying out the provisions of this Code, the Mayor and the coordinator of the emergency management agency are directed to utilize the services, equipment, supplies and facilities of existing departments, offices and agencies of the municipality to the maximum extent practicable, and the officers and personnel of all such departments, offices and agencies are directed, upon request, to cooperate with and extend such services and facilities to the coordinator and the emergency management agency.

30-4-17 **SEVERABILITY.** If any provision of this Code or the application thereof to any person or circumstances be held invalid, such invalidity shall not affect such other provisions or applications of the ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Code are hereby declared to be severable.

30-4-18 **NO PRIVATE LIABILITY.**

(A) Any person owning or controlling real estate or other premises who voluntarily and without compensation grants a license or privilege, or otherwise permits the designation or use of the whole or any part or parts of such real estate or premises for the purpose of sheltering persons during an actual or impending disaster, or a mock or practice disaster response activity together with his successors in interest, if any, shall not be civilly liable for negligently causing the death of, or injury to, any person on or about such real estate or premises under such license, privilege or other permission, or for negligently causing loss of, or damage to, the property of such person.

(B) Any private person, firm or corporation and employees and agents of such person, firm or corporation in the performance of a contract with, and under the direction of, the municipality under the provisions of this Code, shall not be civilly liable for causing death of, or injury to, any person or damage to any property except in the event of willful misconduct.

30-8-2 **DEFINITIONS.**

(A) For the purpose of this Article, the following terms will have the following meanings. These definitions are derived from the federal Public Health and Welfare Act, which was enacted in 1944 and amended in 1984 to define, by inclusion or reference, the following terms.

(B) For use in this Article, provisions containing the words "mayor," "commissioner," "alderman," or "city council" also apply to the president, trustee, council member and boards of trustees so far as the provisions are applicable to them.

(C) PSEBA shall refer to "Public Safety Employee Benefits Act" enacted in 1997.

30-8-3 **APPLICATION PROCEDURE.** As noted by the Court in *Englum*, "while the [Act] contained *substantive* requirements for Section 10 eligibility, the [Act] contained no *procedural* requirements for determining whether a former employee met the substantive criteria." ¶ 55. This Article and the application procedure of this Section establishes guidance on the proper procedural requirements for Public Safety Officers seeking PSEBA benefits in the Village.

(A) Public Safety Officers, or family member(s) of an injured or deceased Public Safety Officer, ("Applicant") must file a full and complete PSEBA application in writing within **thirty (30) days** of filing a pension claim with the Village or within **thirty (30) days** of the date of the adoption of this Article in the event that an Applicant has filed for a PSEBA claim prior to the date of adoption of this Article, whichever is later, if the Applicant is seeking benefits under PSEBA. The Village shall notify Applicant if the PSEBA application is incomplete and Applicant shall have **five (5) days** to remedy their application. Failure to timely file the full and complete application shall result in a forfeiture of the benefits under PSEBA by failure to properly submit a complete application.

(B) A complete PSEBA application includes the following:

- (1) The name of the Applicant, date of hire, detailed information regarding the incident, including information relating to how the injury was sustained in the line of duty (date, time, place, nature of injury, and other factual circumstances surrounding the incident giving rise to said claim);

- (6) The name(s) of witnesses the Applicant intends to call at the PSEBA hearing;
- (7) Information and supporting pension documentation filed with the appropriate pension board;
- (8) Information supporting the PSEBA eligibility requirements; and
- (9) Other sources of health insurance benefits currently enrolled in or received by the Applicant and/or family members if the Applicant is deceased.

(C) The PSEBA application must be submitted to the Mayor of the Village of Bethalto in its entirety.

(D) The PSEBA application must be sworn and notarized to certify the truthfulness of the content of the information. A review of the application shall not occur until the application is complete.

(E) On the date that the PSEBA application is deemed complete by the Village, the completed application shall then be submitted to the Village as the Preliminary Record, and a copy of the same shall be date stamped and provided to the Applicant.

(F) Upon receipt of a complete application for PSEBA benefits, the Village shall set the matter for an administrative hearing before a hearing officer to make a determination on whether to grant the Applicant PSEBA benefits based on the result of the administrative hearing.

(G) The Applicant will be given written notice of the date for the scheduled administrative hearing to be served not less than **ten (10) days** prior to the commencement of the hearing. If the Applicant, upon receiving written notice of the administrative hearing, cannot attend said date, the Applicant must contact the hearing officer in writing within **seven (7) days** after being served. The hearing officer shall establish an alternative hearing date which is within **thirty (30) days** of the original hearing date. Failure to appear at the administrative hearing shall result in denial of PSEBA benefits.

30-8-4 ADMINISTRATIVE COMPOSITION. The administrative hearing shall be scheduled and conducted by a hearing officer whose authority and limitations are as follows:

(A) **Authority of the Hearing Officer.** The hearing officer shall have all of the authorities granted to her/him under common law relative to the conduct of an administrative hearing, including the authority to:

- (6) Preserve and authenticate the record of the hearing and all exhibits in evidence introduced at the hearing; and

- (7) Issue a determination based on the evidence presented at the hearing, the determination of which shall be in writing and shall include a written finding of fact, decision and order.

(B) **Hearing Officer.** The Mayor, with the advice and consent of the Village Board of Trustees, is hereby authorized to appoint a person to hold the position of hearing officer for each hearing on PSEBA benefits that shall come before this Village. In making said selection, the following information shall be considered, at a minimum:

30-8-5 ADMINISTRATIVE HEARING. The system of administrative hearings for the determination of eligibility for benefits under PSEBA shall be initiated either by the Village or by the Applicant after the submission of a full and complete PSEBA application. An administrative hearing shall be held to adjudicate and determine whether the Applicant is eligible for benefits under PSEBA. If the Applicant is found eligible, the benefits shall be consistent with the Act.

(A) **Record.** The Village shall ensure that all hearings are attended by a certified court reporter and a transcript of all proceedings shall be made by said certified court reporter and a copy be provided to the Applicant within **twenty-eight (28) days** of the date of the administrative hearing.

(B) **Procedures.** The Village and the Applicant shall be entitled to representation by counsel at said administrative hearing and present witnesses, testimony and documents, may cross-examine opposing witnesses, and may request the issuance of subpoenas to compel the appearance of relevant witnesses or the production of relevant documents.

(C) **Evidence.** The Illinois Rules of Evidence shall apply to the extent practicable unless, by such application, the Hearing Officer determines that application of the rule would be an injustice or preclude the introduction of evidence of the type commonly relied upon by a reasonably prudent person in the conduct of her or his affairs. Such determination shall be in the sole discretion of the Hearing Officer. The Hearing Officer must state on the record her or his reason for that determination.

(D) **Final Determination.** A written determination by the hearing officer of whether the petitioning Applicant is eligible for the benefits under PSEBA shall constitute a final administrative determination for the purpose of judicial review under the common law writ of certiorari.

(E) **Burden of Proof.** At any administrative hearing, the Applicant shall have the obligation and burden of proof to establish that the Applicant is eligible and qualified to receive PSEBA benefits. The standard of proof in all hearings conducted under this Article shall be by the preponderance of the evidence.

(F) **Administrative Records.** All records pertaining to the administrative process shall be held in a separate file under the Applicant's name with the Village.

30-8-6 SEVERABILITY. If any provision of this Article or application thereof to any person or circumstances is ruled unconstitutional or otherwise invalid, such invalidity shall not affect other provisions or applications of this Article that can be given effect without the invalid application or provision, and each invalid provision or invalid application of this Article is severable.

Further, it is acknowledged that coordination of mutual aid through the Mutual Aid Box Alarm System is desirable for the effective and efficient provision of mutual aid.

SECTION TWO - DEFINITIONS

For the purpose of this Agreement, the following terms as used in this agreement shall be defined as follows:

A. "Mutual Aid Box Alarm System" (hereinafter referred to as "MABAS"). A. The Member Units hereby authorize and direct their respective Fire Chief or his designee to take necessary and proper action to render and/or request mutual aid from the other Member Units in accordance with the policies and procedures established and maintained by the MABAS Member Units. The aid rendered shall be to the extent of available personnel and equipment not required for adequate protection of the territorial limits of the Aiding Unit. The judgment of the Fire Chief, or his designee, of the Aiding Unit shall be final as to the personnel and equipment available to render aid.

B. Whenever an emergency occurs and conditions are such that the Fire Chief, or his designee, of the Stricken Unit determines it advisable to request aid pursuant to this Agreement he shall notify the Aiding Unit of the nature and location of the emergency and the type and amount of equipment and personnel and/or services requested from the Aiding Unit.
